

DAWG POUND PAVER PROJECT

This project is located behind the backstop at Ed Sandy Field. Individuals have the opportunity to honor a player, coach or fan, past and present, with an engraved paver.

(4"x 8" or 8"x 8")

Your paver will join dozens of others already laid including all the championship teams, former coaches and many former players.

The Centerpiece is a black and orange marble paver for the '76 State Champs!

Let's support our team to enhance one of the finest baseball facilities in NW Ohio:
"The Ed" (Ed Sandy Field)

DIAMOND DOG PAVER PROJECT
