

Bulldog Voice and Text Alert Notification System

Dear Parents,

Keeping you informed is a top priority at Elida Local School District. That's why we have adopted the Bulldog Voice and Text alert systems. These systems allow us to send you voice and/or text messages providing important information about school events or emergencies. We may be using these systems to notify you of school delays or cancellations due to inclement weather or other important school related announcements. In the event of an emergency at school, you can have peace of mind knowing that you will be informed as soon as possible by voice and/or text.

NOTE:

You do NOT have to re-register for Voice Alerts for this school. All previous data will be used again this year.
