

**To the Employees, Spouses and Dependents of
Elida Local Schools**

At Bluffton University, we understand higher education makes a difference in your life, in the management of your organization and in the wellbeing of your community. Through our unique programs, you'll develop the skills needed to advance professionally and personally.

Bluffton's degree-completion and graduate programs are designed for the working adult. Convenient online classes provide flexibility for your busy work and family schedule, and accessible professors are available to provide individualized attention. Bluffton graduates are leaders in industry, health care, education and government.

**As an Elida Local Schools employee, spouse or dependent,
you have access to a variety of benefits at Bluffton University including:**

- A **20% tuition discount**
- Nearly **90 undergraduate and graduate degree programs**, both **on campus and online** that will prepare you for your best future
- Instruction from acclaimed faculty members with **real-world experience** in their fields
- The **flexibility and convenience** of earning your degree while continuing in your career

"Attending Bluffton University for my master's allowed me to have one-to-one contact with the professors. Even as a distance learner, all of the professors were very easy to collaborate with. I received amazing advising for my future plans and because of that I just finished my first-year residency for my doctorate in higher education."

Kim Amerson, MAEd '18
Third grade teacher,
South Science and Technology Magnet, Lima, Ohio
