ALMA MATER

Oh, come; let's sing Elida's praise,
And songs to alma mater raise,
While our hearts rebounding thrill
With joy which death alone can still.
Summer's heat and winter's cold.
The seasons pass, the years will roll,
Time and change will surely show
How firm our friendship – Black, Orange, Gold.

This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the School's rules. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guidelines prevails. Copies of current Board policies and administrative guidelines are available on the District's website.

SECTION I: GENERAL INFORMATION

ACADEMIC DISHONESTY

Plagiarism is unknowingly or deliberately using another's work (author, critic, or peer) and passing it off as one's own work. Cheating is defined as obtaining or attempting to obtain, or aiding another to obtain credit for work, by any dishonest or deceptive means. Providing one's own work to another student to copy is also plagiarism/cheating.

1st Offense – "0" for the paper or test; teacher contacts parent. Office is notified of offense.

2nd Offense – "0" for the paper or test; teacher contacts parent; Tuesday or Thursday School.

3rd Offense – "0" for the paper or test; teacher contacts parent; progressive discipline.

ATTENDANCE

The staff of Elida High School is committed to providing a high quality education to our students. To achieve this goal, students must consistently be in attendance at school. All students are expected to be in all classes **including study halls and lunch**.

Attendance and promptness to class is the responsibility of each individual student and his/her parents or guardian. Attending classes regularly and being on time allow students the opportunity to positively benefit from the instructional program as well as to learn the necessary habits of punctuality, self-discipline and responsibility.

Excessive absences cause a disruption in the learning process. Make-up work is not an adequate substitute for classroom work. Students who display a good attendance record generally achieve higher grades, are more self-confident, enjoy school more, and are more employable after leaving school.

Ohio law entrusts us with accounting for the attendance of all students. Students and parents are both bound by Ohio attendance requirements. Such requirements state that students must be present at school unless excused for one of the following reasons listed below (Section D).

The determination as to whether an absence is excused or is unexcused rests with the building administration.

Parents may excuse their son/daughter for the equivalent of 15 days during the school year. After this threshold is met, a physician's certificate* is required (O.R.C. 3321.04). Once a student is required to have a physician's certificate, the Principal or the Assistant Principal will have to remove the requirement. Prolonged absences in a row for one illness may count as 1 absence occurrence a parent may excuse their son/daughter if approved by the administration.

***Physician's certificate must be an original or verifiable fax from a physician's office.**

Steps to follow when a student is absent:

- A. It is the Parents responsibility to call **419-331-6116** each day to explain a student's absence, or the student must present an absentee note from his/her parent/guardian to the high school office **on the day the student returns to school or disciplinary action may be imposed. A student will be considered unexcused until documentation is on file in the attendance office**

Upon returning, a student who did not have a parent call on the day of the absence, must

report to the attendance office before homeroom so the attendance secretary can issue an admit slip to the student which indicates whether the student was excused or unexcused on the date of the absence(s).

B. A 24-hour attendance line with a message recording service at 419-331-6116 is provided for your convenience.

C. Excused absences include:

- | | |
|--|--|
| 1. Personal illness and/or medical appointments | 4. Religious observances |
| 2. Severe illness in the immediate family | 5. College visitation with prior approval |
| 3. Death in the family | 6. Family vacation with prior approval |
| 7. An emergency or set of circumstances, which in the judgment of the principal, constitutes a good and sufficient cause for absence | |

D. Unexcused absences include:

- | | |
|---|---|
| 1. Oversleeping | 6. Any organized skip day |
| 2. Missing the bus | 7. Suspensions |
| 3. Baby-sitting | 8. Other absences as determined by the administration |
| 4. Car problems other than a police-reported accident | 9. "Personal Reasons" |
| 5. Truancy | |

Potential Consequences for Unexcused Absences are Tuesday-Thursday School, Saturday School, or In-School Alternate Placement. The determination as to whether an absence is excused or unexcused rests with the building administration.

PERFECT ATTENDANCE AWARD

To qualify for a perfect attendance award, a student may not be out school for more than one hour at any time during the school day for an excused appointment. Documentation must be returned to the office for any appointment upon return to school. College visits approved through the office do not count against perfect attendance.

MEDICAL APPOINTMENTS

Doctor, clinic, or dentist appointments should be made after school hours. Because this is not always possible, the student will be excused from school with documentation* from the physician regarding the appointment time and duration of the office visit.

***Documentation must be an original.**

Upon returning to school from an appointment, the student must sign in at the attendance office and receive an admit slip to class. When leaving the building during the school day, the student must sign out (with permission) in the attendance office. **Failure to adhere to sign-in and sign-out policy may result in disciplinary action being taken.**

ABSENCE AND EXTRACURRICULAR ACTIVITIES

A student's absence on the day of an athletic event, school production, or any other extracurricular activity will render the student ineligible for participation in that day's event (including practices and rehearsals). Students must be in attendance **the last four regular class periods of the day (excludes Bulldog Period)** to be eligible to attend and participate in school-sponsored, extracurricular activities that day. Exceptions would be a student leaving school for a doctor's appointment, funeral or other justifiable absence other than illness that has been pre-approved by school administration.

ADVANCE NOTIFICATION OF ABSENCE FORM

The staff of Elida High School asks that parents make every effort to schedule their vacations in conjunction with the Board of Education adopted school calendar. Although students have the opportunity to make up work missed, it is never possible to regain the information and learning experience provided by the daily classroom instruction and activities. It should be noted that the student may be required to hand in assignments or take tests on the day of his/her return to school.

Any student wishing to be excused from school for a family vacation, college visitation, military meeting, or other pre-approved absence must obtain an Advance Notification of Absence Form from the assistant principal's office. This form must be filled out with teacher and parent's signatures and returned to the assistant principal **prior (5 days before preferred; by 8:00 A.M. 3 days before required) to the vacation, college visitation, or other absence.** College visitations should be arranged in consultation with the student's guidance counselor. The student's counselor needs to sign the form indicating awareness and approval of the visitation. College visitation days are limited to 3 days total per year and are only for 11th and 12th graders. Failure to fill out the form in advance of the absence may result in the absence being considered unexcused. **If the student's average is below 70% in two or more classes, the request may be denied.**

EXCUSED ABSENCES (MAKE-UP WORK)

The basic rule to follow is that a student is given time to make up work missed during an absence, which is equal to the number of days absent plus one. A student's grade will not be reduced due to an excused absence if the student's work is completed using the number of days absent plus one rule.

The first day a student returns from an absence is to be considered a contact day with his/her teachers. **It is the sole responsibility of the student to initiate contact with the teachers regarding work missed during an absence and appropriate arrangements for make-up work.** The expectation for a student that misses only the day of a test/quiz is that the student will take the test/quiz the day that he/she returns to school. If a student is absent the day(s) before the test/quiz, the equal number of days plus one will be given to the student.

If a student is absent for three or more school days, assignments can be obtained upon request from the guidance office or through individual teacher email addresses.

UNEXCUSED ABSENCES (MAKE-UP WORK)

If a student (including suspended students) has an unexcused absence, assignments CAN be made up, credit will be reduced to 67% of that which a student normally would have received. Students, except for students who have been suspended, have **five** school days to have an absence changed from unexcused to excused for the purpose of received full credit on assignments and classroom work. A Student, except for a student who have been suspended, will follow the excused absence policy to determine when classwork and assignments are due. Suspended students' classwork and assignments will be due **two** school days after their return from suspension.

INCOMPLETE POLICY

An "I" (incomplete) may be given at the end of a grading period. Students with excused absences have the number of days missed plus one (see Make-up Work Policy) to complete assignments. Any assignments not made up during that time period will result in a zero (0).

EXCESSIVE ABSENCES

If a student has been absent without legitimate excuse from school for more than ten consecutive school days or for at least 15 total school days, the superintendent will notify the Registrar of Motor Vehicles and the juvenile court for purposes of: 1. Suspending the student's instruction permit or driver's license; or 2. Denying the student the opportunity to obtain an instruction or driver's license.

TARDY TO SCHOOL

All students entering school after 7:40 A.M. must report to the Elida High School attendance office, sign in, and receive a class admission slip. The teacher will not admit the student to class without a valid admission slip. Students arriving during first period will be considered tardy. **Students arriving after first period will be considered Partial Day Unexcused and may receive a Tuesday or Thursday School assignment.** The discipline procedure for Tardy to School will be as follows:

- A 3rd through 5th tardy to school in a semester may result in an Administrative Detention assignment for each tardy.
- The 6th through 10th tardy to school in a semester may result in a Tuesday or Thursday School assignment for each tardy.
- Each additional tardy to school in a semester may result in a Tuesday-Thursday School or Saturday School assignment, and may result in progressive suspension from school with possible recommendation for expulsion.

TARDY TO CLASS

For the purpose of consistency, classroom tardiness is defined as a student not being in his/her "assigned location" at the conclusion of the tardy bell. A teacher may define "assigned location" in her/his classroom rules. Students have the responsibility to be familiar with individual teacher expectations and teacher-imposed penalties for classroom tardiness. Discipline for Tardy to Class will be as follows:

- 1st and 2nd tardy to class in a semester – Warning
- 3rd tardy through 5th tardy to class in a semester - Teacher Detention for each tardy.
- 6th tardy to class and above in a semester - Referral to the Office for Tuesday or Thursday School for each tardy.

BOOK BAGS

Students are not permitted to carry book bags to class at Elida High School. Students are to store them in their locker during the school day. Exceptions to this rule can be granted by the principal's office. If a student has a reason they feel they need a book bag during the day they should seek prior approval.

CARD PLAYING/GAMBLING

Card playing, dice, and gambling of any type in school or on the school campus are not permitted. The study of such games for academic instructional purposes may occur under the supervision of a staff member.

CAFETERIA RULES

The school cafeteria serves lunch each school day. Students are expected to act in a responsible manner and maintain a pleasant atmosphere in the cafeteria. To that end, the following rules need to be adhered to:

- Report directly to the cafeteria at the beginning of the scheduled lunch period.
- Form lunch line in single line along 200 N Hall (Ag/Construction Tech hallway)
- Do not cut into the lunch line.
- Return trays to designated area and leave tables neat and clean.

- Put trash in trash containers.
- Do not throw or toss items at any time.
- No pop is allowed in the lunchroom.
- Consume all food and drink in the cafeteria. Only bottled water in a clear container may be removed from the cafeteria.
- Keep noise to a minimum.
- Use restrooms adjacent to the cafeteria.
- Permission to leave the cafeteria must be given by the supervising teacher.
- Outside delivery of food is not permitted.

Free lunches or reduced-cost lunches are available to children who are determined eligible following the return of applications that are made available to all families at the beginning of the school year. Applications are available all year long should the need arise later in the school year and can be found in the school office or on the school's website under Food Service Department.

Elida High School offers breakfast each morning. Breakfast is offered to all students regardless of their meal status & is served every day, including delay days. The high school will offer breakfast in the commons area each morning 7:20am - 7:35am. Students wanting breakfast are to come directly to cafeteria upon arrival at school. The USDA is an equal opportunity provider.

The cashier will notify students when their account reaches a low balance. There is no charging of breakfast or lunch at Elida High School. No cash change will be given to students for fifty and one-hundred-dollar bills. Any student giving the cashier a fifty or one-hundred-dollar bill will have it deposited directly into their student meal account. Debit or Credit cards are not accepted as forms of payment. Any credits will be carried over from year to year. A credit card online payment service is available at www.payfort.net Contact the Food Service Supervisor for more information regarding this service. When depositing funds using this service, it may take up to one day for the funds to be available for student use.

CLASSROOM RULES AND TEACHER AUTHORITY

Every student is under the jurisdiction of all teachers, regardless of whether or not the teacher has the student in class.

All students are expected to respect the authority of the teachers. Students should learn what each teacher expects in the classroom and adjust accordingly to the varying techniques used in teaching the different subjects. Both teachers and students should work toward establishing a mutual respect for each other's abilities, so that maximum educational benefits will be realized. **The teacher has the right to determine classroom rules in each class, and the organization and discipline that is most conducive to his/her method of teaching.**

DANCES

1. All dances sponsored by the school will be under the direction of a sanctioned organization or class.
2. All rules and policies listed in the student handbook, the Student Discipline Code, and the Student Code of Conduct apply to student behavior at school dances.
3. Homecoming will be open to all Elida High School students. Other planned Student Activities will be open to **ONLY** Elida High School students unless otherwise promoted by the Student Activities Committee. Prom will be open to all Elida High School Juniors and Seniors.
4. A student may bring one guest (cannot be older than 20, but of at least ninth grade status). The

guest's ticket must be purchased prior to the day of the dance. Any student bringing a guest must pre-register the guest. Guests for Prom must be 11th grade students or higher and a guest form will be required for all students who do not attend Elida High School. Any attendee that has already graduated from school may be required to provide a photo I.D. to enter the dance.

5. Students bringing a guest are responsible for informing the guest of school rules and policy. The host student is responsible for his/her guest's behavior.
6. Students/guests leaving a dance may not re-enter.
7. Students will not be admitted after 9:00 P.M.

The school dress code will be enforced at school dances. If a student or guest has dress that is considered to be inappropriate, they may be asked to leave the dance without a refund for the ticket.

DETENTIONS

Detentions are to be served when assigned by the teachers or administrators. The earliest imposition of a detention for an infraction will be for the afternoon of the day following the day on which the infraction occurred. Detention is to be served with the classroom teacher or administrator who has assigned the detention. The primary objective of this disciplinary action is to detain the student for a given period of time that is inconvenient for the student. Detention may be assigned in the A.M. (if that is the choice of the teacher) as long as one day's notice is given.

A student who fails to meet his obligation and responsibility to serve an assigned detention will meet with the teacher to determine why the student has failed to serve. The teacher may then refer the student to the office for failing to serve the detention.

DRESS CODE

Elida High School is a place of business. We expect our students to dress in a manner that is not distracting to the business of education. In general, dress should be such that it ensures the health, welfare, and safety of the members of the student body. Dress should promote a positive images of students and our school. The final decision on appropriate dress shall rest with the building administration. **In all cases of questionable dress, the administrators reserve the right to make judgments and decisions regarding "appropriateness and acceptability" of such clothing.** Violations of the dress code may result in a warning, administrative detention, Tuesday-Thursday school assignment, Saturday School Assignment, or progressive suspension. **A student who is sent home for a change in dress will be considered unexcused during his/her absence.**

DRUG-FREE SCHOOLS

In accordance with Federal Law, the Elida Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs includes any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute, or substance that could be considered a "look-a-like" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by State law, the District will also notify law enforcement officials.

The District is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which s/he receives help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

DUE PROCESS IN DISCIPLINARY PROCEDURE

SUSPENSION AND EXPULSION

In accordance with Ohio law, Section 3313.66 O.R.C., the superintendent, the principal, or the assistant principal of a school may suspend a pupil from school for not more than ten days. In addition, the superintendent may expel a student from school for eighty days. Students who are suspended out of school or expelled may not be present on school property, participate or attend any school activities or contests, or be present at activities or on property controlled by the school.

PERMANENT EXCLUSION

Sections 3313.66, .661 and .662 of O.R.C. have been expanded to incorporate changes for Ohio's exclusion law. A student may be permanently excluded from attending any Ohio Public School for certain very serious offenses.

DUE PROCESS

Due process in the context of quasi-judicial administrative proceedings, carried out by the school authorities, **does not mean that procedures used in courts in juvenile proceedings must be followed exactly by school authorities when engaged in school-related disciplinary actions.** It does mean that clear, definite, and fundamentally fair rules of procedure must govern disciplinary

actions taken by school authorities.

According to Ohio law, Section 3313.66 O.R.C., a student must be given written notice of intent to suspend, with reasons for the intended suspension, and an opportunity to explain his/her behavior to the school administrator.

If they have to be continuously asked by staff to remove them, then they will be confiscated and taken to the office. In addition, Administrative Discipline may be issued.

The staff of Elida High School recognizes the cell phone and other electronic devices as valuable learning tools when used appropriately in the classroom. Teachers may choose to incorporate the use of cell phones and electronic devices in their lesson plans. Teachers may grant permission for the use of headphones/earbuds during their regular class period. **Students who use their cell phones for reasons other than educational purposes during class time may lose the privilege and will have their phones confiscated by the teacher.** The classroom teacher has the right to set his/her policy for the usage of electronic devices in their classroom. The teacher will display a Red, Yellow, or Green sign to communicate the expectation for his/her classroom.

PUBLIC DISPLAY OF AFFECTION

Students are to refrain from any type of physical affection while on school property or at attendance at any school event, with the exception of holding of hands.

SCHEDULE CHANGES

Schedule changes, although rare, will be considered based on circumstances such as **inappropriate**

placement, lack of prerequisites, error in enrollment, or a scheduling conflict. Because teacher assignments are based on original student course selections, changes usually cause class size problems and are discouraged. Refer to the Academic Handbook for further details or discuss with your Guidance Counselor.

SEARCH AND SEIZURE

In order to insure the safety and well-being of all students, teachers, other school employees and guests, it is the policy of Elida Local School District to authorize its administrators to search the clothing and personal effects of students where such a search is reasonably necessary under all of the surrounding circumstances. In order to conduct such a search, it is not necessary that the administrator have probable cause to believe that a crime or violation of a school rule has occurred. It is necessary only for the administrator to have reasonable grounds to believe that a search will produce evidence that a student has violated or is violating a law or school rule. If such reasonable grounds exist, an administrator may conduct a search of a student's person or personal effects. The search shall be reasonably intrusive in light of the age and sex of the student, and the nature of the possible infraction that may have or may be occurring. Unannounced and random canine searches may also be conducted.

NOTICE OF POLICY ON SEARCHING LOCKERS

Section 3313.20 O.R.C. authorizes a school board of education to adopt a policy, which authorizes the administrative staff to search any pupil's locker and the contents thereof. All lockers made available for pupil use are the property of Elida Local School District. All such lockers and the contents thereof are subject to random search at any time by appropriate school officials without regard to whether there is reasonable suspicion that any locker or the contents thereof contain evidence of a violation of a criminal statute or school rule. K-9 units from local law enforcement agency may be used in conducting searches.

AUTOMOBILE SEARCHES ON SCHOOL PROPERTY

Students have been granted a revocable privilege of using school property for parking vehicles. Search of a student and his/her possessions, including vehicles may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable suspicion that the student is in violation of school rules. A search may also be conducted to protect the safety of others. Any student who exercises the privilege of parking an automobile on school grounds shall be considered to have given implied consent to a search of such automobile at any time a search is requested by the school administration. Failure to comply with a reasonable search will be considered insubordination. Unannounced and random canine searches may also be conducted.

STUDENT LOCKERS

Students' right to privacy with regard to hall lockers and gym lockers is limited to the concept that these lockers provide a secure place for students to store articles of personal clothing and scholastic materials. Hall and gym lockers are owned by the school district. They are provided to students for the aforementioned purposes. Students will be held responsible for the condition of their lockers. The school expects students to maintain their lockers in a manner befitting any school property. Graffiti, either inside or outside the lockers, is not allowed. Valuables are not to be stored in lockers. The school cannot be held responsible for loss of valuables stored in lockers. Valuables should be checked into the main office. Students should not share lockers or locker combinations. Such actions compromise the security of the student's lockers.

STUDENT MEDICATION

If it is necessary for a student to take medication during the school day, including over-the-counter and prescription medication, the student must have a completed Medication Authorization Form on file with the principal/nurse. The forms are available in the principal's office and on the district's web site. The physician's signature and parent/guardian signature are required on the form. The prescription must be in the original container dispensed by the pharmacy. Over-the-counter medication must be in the original package. A new Medication Authorization Form must be submitted each school year.

Medication, with the exception of a prescribed rescue inhaler, must be kept in the principal/nurse's office and may only be administered by a school official at the prescribed time. Medication may NOT be transported with the student via the school bus. The only other exception will be throat lozenges or cough drops, in which case the parent/guardian must send a note giving permission for their use.

STUDENT PARKING LOT

The student parking lot is an **off-limits area** during the course of the school day. Any student who finds it necessary to go to the parking lot during school hours must first obtain permission from the principal's office. Students are not to park in designated staff or visitor parking areas.

STUDY HALL RULES

The basic purpose of a study hall is to provide an area where students may study. With this in mind, the following is a general list of study hall rules:

- Students are to bring books, assignments, and study material.
- Students who wish to use the Media Center must sign up in the MC before their study hall. Students should report directly to the Media Center rather than study hall.
- Students are to be quiet in order that others may study.
- Food or drink is not allowed in study hall.

- After arriving, students must remain in the study hall for the duration of the period. If a student leaves before the end of the period, a pass signed by a teacher must be presented to the study hall supervisor in order for the student to be released.
- Sleeping is not allowed in study hall.

SUMMER SCHOOL POLICY

Students may participate in remedial summer school classes only if they have earned a 50% average for the year in that course. Any student who earns less than 50% will not be able to earn credit for the course in remedial summer school.

SURVEILLANCE CAMERAS

For students' safety and welfare, video surveillance cameras are placed throughout the building and school grounds and on buses. Actions recorded on these cameras may be used as evidence in disciplinary action. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the school and possible referral to local law enforcement agencies.

Due to privacy rights of students, these recordings are not open to public view.

TELEPHONES

The school office phones are business phones and not for student use except in an emergency. If a student needs to make a personal call, they should come to the office and ask for permission to use the phone.

If appealing absences due to injuries received in school sponsored events, verification may be required from the school trainer or a physician.

All teachers will participate to the extent that their class curriculum enables them. **Advanced Placement, College Credit Plus courses, etc. may have requirements that do not allow for students to use homework passes and/or incentives.** Teachers will notify students as to how they will accept the THOR card for use in their classroom.

Any student who earns a Gold or Orange card for each of the first three quarters of the school year is eligible to receive an incentive reward at the end of the year.

SECTION II: STUDENT CODE OF CONDUCT

It shall be the policy of the Elida Local High School to encourage student conduct that will maintain a proper learning environment. This code of conduct is in effect while students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs. In addition, the code of conduct applies to misconduct that occurs off school district property but is connected to activities or incidents that have occurred on school district property.

The Apollo Career Center is an extension of our school program; therefore, student who elect to attend the career center are subject to disciplinary action based upon the Student Code of Conduct of either Elida High School and/or the Apollo Career Center. Consequently, conduct and/or involvement in any activity that may or does result in disciplinary action by one school may be grounds for similar disciplinary action by the other school.

Any Violation of the code of conduct may result in a verbal or written warning, referral to a guidance counselor or social worker, parental contact or conference, community service, detention, in-school alternative placement, Tuesday-Thursday school, Saturday school, emergency removal, suspension, expulsion, or referral to law enforcement agencies.

In addition to the above-mentioned types of disciplinary action, the administration may impose disciplinary measures in the nature of after school work, repair of or payment for physical damage caused by the student, and revocation of the privilege of participation in school activities.

The administration reserves the right to exercise flexibility in the assignment of all disciplinary action and any step found in the student code of conduct may be waived by the administration. Individuality of the student infractions and other considerations may necessitate disciplinary action other than that specifically listed. Elida High School operates on the assumption that all disciplinary action functions on the philosophy of progression. Therefore, as referrals to the office mount, more severe penalties will be progressively implemented. The intent of this philosophy is to modify, and perhaps eliminate undesirable student behavior.

RULE #1 – THREAT OR AGGRESSION TOWARDS SCHOOL PERSONEL

A student shall not threaten or attempt to cause physical injury or behave in such a way as could reasonably cause physical injury to any school employee. A student shall neither make what may reasonably be interpreted as a threat to do bodily harm to a school employee or his/her family, nor threaten to damage personal property of an employee in or out of the school setting.

RULE #2 – DAMAGE TO SCHOOL OR PRIVATE PROPERTY

A student shall not damage or deface school property, or any other property, either on the school grounds or during a school activity, function, or event off school grounds. A student who accidentally defaces or damages school property or the property of another is obligated to notify the office of this damage and is liable to pay expenses. Failure to report such damage could be grounds for disciplinary action.

RULE #3 – THREATENING BEHAVIOR / INTIMIDATING ACTS

A student shall not verbally threaten, or behave in such a way as to attempt to threaten to cause physical injury to other students, school employees, or other persons while under the jurisdiction of the school and/or on school property. An individual whose deliberate behavior directly leads to a fight or physical aggression between other parties may be considered a participant.

RULE #4 – PHYSICAL AGGRESSION

Physical aggression is considered the act of touching, hitting or making a physical threat towards another individual while on school property or under the jurisdiction of the school.

RULE #5 –FIGHTING

This would include the initiating of a false alarm or some type of emergency disaster alarm.

Neither shall the student engage in such conduct for the purpose of causing the disruption or obstruction of any lawful mission, process, or function of the school if a substantial and material disruption or obstruction is reasonably certain to result from his/her urging.

Gambling, card playing and any games of risk or chance are prohibited unless done so with an educational purpose under the supervision of a staff member.

RULE #10 – FAILURE TO ATTEND OR SERVE ASSIGNED DISCIPLINE

Failure to attend a detention on the assigned date(s), except in extreme emergency approved by the Principal, may result in further disciplinary action. Dating violence is defined as a pattern of behavior where a person uses or threatens physical, sexual, verbal, or emotional abuse to control the person's dating partner. A "dating partner" is any person, regardless of gender, involved in an intimate relationship with another person primarily characterized by the expectation of affectionate involvement whether casual, serious, or long-term.

Students shall not plan, encourage, or participate in any form of hazing. Hazing is defined as any act of coercing another, including the victim, to do or initiate any act against any student or other organization which causes, or creates a substantial risk of causing, mental or physical harm to any person. Permission, consent or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy. Hazing activities of any type are inconsistent with the educational process and will be prohibited at all times. Violation may lead to suspension, recommendation for expulsion and/or legal action as contained in ORC 2307.44

Students are expected to comply with reasonable requests made by staff in all non-instructional areas, as willingly and as quickly as they are expected to do in the classroom. RULE #15 – INAPPROPRIATE BEHAVIOR AT ATHLETIC CONTESTS AND OTHER SCHOOL RELATED ACTIVITIES

Students attending any co-curricular or school-sponsored extracurricular or related activity shall not behave in any way that disrupts or tends to interfere with that activity. RULE #21 – SCHOOL TRANSPORTATION

Students on a bus are under the authority of, and directly responsible to, the bus driver. The driver has the authority to enforce the established regulations for bus conduct. Violations of bus transportation rules or refusal to submit to the authority of the driver is sufficient reason for refusing transportation services or suspending transportation services to any student. This discipline would be applicable to both daily riding privileges as well as any district field trips or activity trips.

Included in this prohibition is the possession or use of chemicals and gases, such as mace and stink bombs.

Other more commonplace devices, which are not normally considered weapons, may, under certain circumstances, be used as a dangerous weapon. If a student uses such a device in this fashion, it will be considered a violation of the rule on weapons

This guideline applies on the school grounds; during, before, and after school hours, and off the school grounds, on a school bus, or rented carrier, at any school activity, function, or event.

RULE #25 – BULLYING/CYBERBULLYING

It should be noted that other possible student conduct, not mentioned specifically in the "Student Code of Conduct", but reaching the gravity outlined by these rules, in terms of persistent disobedience or gross misconduct as elsewhere defined may be grounds for disciplinary action. It is the responsibility of the building administration to take sensible and responsible action to protect the educational process from disruption and/or safety and welfare of students and staff in the school building.

SECTION III: GIFTED INFORMATION

DEFINITIONS

"Gifted" means students who perform or show potential for performing at remarkably high levels of accomplishment when compared to others of their age, experience, or environment and who are identified under division (A), (B), (C), or (D) of section 3324.03 of the Revised code.

SCREENING AND ASSESSING

The District uses a three-part approach to screen students who perform or show potential for performing at high levels of accomplishment in the areas of superior cognitive ability, specific academic ability, creativity, and visual and/or performing arts.

Stage I:

PRE-ASSESSMENT

The pre-assessment part of the process involves gathering student data from a variety of sources including teacher, parent, and peer nominations, grades, portfolios, observations, review of student records, and outstanding products or performances, etc. All students are involved in the pre-assessment pool. By using the pre-assessment process, the district ensures equal access to screening

and further assessment by all district children, including culturally or linguistically diverse children, children from low socioeconomic backgrounds, children with disabilities, and children for whom English is a second language.

Stage II:

ASSESSMENT FOR SCREENING

The screening stage examines the data gathered from the pre-assessment stage and determines if additional assessment is necessary.

In making decisions about additional assessment, existing test data for students is not the sole determining criteria. School personnel examine all available information about a student to determine if an evidence of possible giftedness exists for that student and conduct necessary additional assessment

District-determined cut-off scores, to move students from screening stage to the assessment stage, are lower than the scores necessary for identification. Parents must be notified within thirty days of the results of screening.

Stage III:

ASSESSMENT FOR IDENTIFICATION

Assessment strategies provide additional data necessary for an identification decision and the delivery of services. Strategies for additional assessment include the individual and group-testing requirements of Sections 3324.01 – 3324.07 of the Ohio Revised Code; and as described in the Gifted Identification pamphlet.

Once additional assessment has been completed, the data obtained throughout the stages of identification are evaluated, the identification decision is made and student's educational needs are determined.

REFERRAL

The district ensures ample and appropriate scheduling procedures for assessments and reassessment using.

- Group tests;
- Individually administered tests;
- Audition, Performance;
- Display of work;
- Exhibition; and
- Checklists.

Children may be referred on an ongoing basis, based on the following:

- Child request (self-referral);
- Teacher recommendation;
- Parent/guardian request;
- Child referral of peer; and
- Other (e.g., psychologist, community members, principal, gifted coordinator, etc.)

Upon receipt of a referral, the district will

- Follow the process as outlined; and
- Notify parents of results of screening or assessment and identification.

The district shall provide at least two opportunities a year for assessment in the case of children requesting assessment or recommended for assessment by teachers, parents, or other children.

GENERAL

The district accepts scores on assessment instruments approved for use by the Ohio Department of

Education provided by other school districts and/or trained personnel outside the school district.

TRANSFER

The district ensures that any child transferring into the district will be assessed within 90 days of the transfer at the request of the parent. Parents shall contact the building principal.

SERVICES

The District ensures equal opportunity for all district students identified as gifted to receive services offered by the district.

WITHDRAWAL

If at any time, a student wishes to withdraw from gifted programs or services, the request should be written by the parent or child to the building administrator. If children request to withdraw, parents will be notified.

APPEAL PROCEDURE

An appeal by the parent is the reconsideration of the results of any part of the identification process, which would include

- Screening procedure or assessment instrument (which results in identification);
- The scheduling of children for assessment;
- The placement of a student in any program; and
- Receipt of services.

Parents should submit a letter to the superintendent or designee outlining the nature of the concern.

The superintendent or designee will convene a meeting with the parent/guardian, which may include other school personnel.

The superintendent or designee will issue a written final decision within 30 days of the appeal. This written notice should include the reason for the decision(s).

If you have any questions or would like a copy of HB 282, please contact the building principal.
