Parental Consent Form for Playaway

The Elida High School Library recently purchased a small collection of Playaways. Playaways are audiobooks that are recorded to a small device. One device holds an entire book! They are small, portable and easy to use. Students are able to adjust the reader's speed or use the bookmark feature to hold their place. This collection was developed to benefit ELL students, auditory learners and those who enjoy listening to a book or wanting to experience a book in a new way

Because of the cost of Playaways, we are requiring students to have parental permission to checkout Playaways. **By signing below, you are giving your child permission to check out a Playaway.** This form will stay on file in the library and will be effective as long as your child is a student at Elida High School. If you decide you no longer want your child to check out Playaways, please contact Mrs. Mathias / 419-331-4115 x1129 or tmathias@elida.k12.oh.us.

By signing below:

1. I give my child (ren) permission to borrow a Playaway from the Elida High School Library.
2. I understand that if the Playaway is lost or damaged, I will be responsible for the full replacement cost.
3. I understand that my child is encouraged to use his/her own headphones due to hygiene but he/she has the option to rent a set for \$1.00, which is refunded if the headphones are returned.
4. I also understand that all Playaways run by AAA batteries, and that all Playaways are expected to be returned with batteries.
