

## **ELIDA CANCELS 2020 FOOTBALL SEASON TICKET SALES**

Due to the Ohio Department of Health mandates, Elida Local Schools will not be able to sell football season tickets for the 2020-21 school year.

All 2019 season ticket holders will have the opportunity to purchase their same seats for the 2021 football season.

All games and matches will have limited attendance due to the 15% seating capacity mandate from the Health Department. Those attending games will be limited to families only in most cases. Because of this, staff and Senior Citizen passes will not be accepted this fall at all contests. Staff who have sons or daughters playing will have the opportunity to use their pass for two plus receive two more tickets for the home games.

In most cases student-athletes from all sports will have the opportunity to purchase up to 4 tickets per family for each home game/match. Also each athlete will in most cases only get two tickets per family for away games. This will depend on the seating capacity of our opponents.

Band members will have the opportunity to purchase up to 3 tickets per family for each home football game.

Vouchers (old tickets) will be distributed to each athlete prior to their games/matches to be used for the right to purchase game tickets for away and home games. Volleyball and soccer families will turn their vouchers in at the ticket booth each game. All tickets for volleyball and soccer will be \$6 for high school and \$3 for middle school. Football players, cheerleaders and band member families will have to purchase their tickets on Wednesdays in the Athletic Office from 11:00 am to 1:00 pm. Parents or players can bring their vouchers to the office to purchase their tickets for the home and away games each Wednesday. All tickets for varsity football games are \$7. Freshmen, JV and Middle School football parents will exchange their vouchers at the gate. These games will have a \$3 admission.

All 8<sup>th</sup> grade football games will be played at Kraft stadium. All MS volleyball games will be played in the High School gym. Moving these games will allow us more fans the opportunity to see the games.

Just a reminder that masks are required at all sporting events! No one will be admitted without a mask. Mask are to be worn at all times! Please remember this is about keeping our kids on the field. A few schools have already had to shut down sports including some local teams for 14 days due to positive tests. Thank you in advance for your cooperation. Our student-athletes are depending on you!
