---

Dear Parents/Guardian:

We have just begun the process of online learning. This is something that is new for staff and students. I appreciate your patience in this. There will be a learning curve for everyone regarding online learning. Our staff has worked hard to provide opportunities for students to learn moving forward. Just like anything else that is new, some staff may feel comfortable with this type of technology than others.

Staff are readily available from 8 am to 2 pm. They should be able to respond fairly quickly to questions if students click the email icon in the upper right hand corner of Schoology. Should you send a message after 2 pm please do not expect a response until the next day. Please remember that our staff have families too and will be dedicating time, outside of the hours mentioned above, to their families and their own personal lives.

If you have questions/problems logging into Schoology, please email [help@elida.k12.oh.us](mailto:help@elida.k12.oh.us). Please include the student's full name, graduation year, and a phone number where you can be reached.

Our offices are now closed until further notice. Please do not place a call to the buildings as those calls will go unanswered. Your best source of getting assistance is your child's teacher(s). Thank you for cooperation!

Sincerely

Joel Mengerink  
Superintendent
