

We are excited to partner with 8to18 to register our students online for sport participation. You will receive communications from the Athletic office and coaches so be sure to add no-reply@8to18.com to your address book.

You will start by creating an account. If by chance you have ever used 8to18 at another school you can log in with the same login and password. Use the password reset feature if you have a user name but can't recall your password.

Please keep your log information handy as you will use this each time to register. Do NOT create multiple accounts.
