

Dear Elida Community,

It saddens me to send this letter, but we will not be able to host our Spring for the Stars Craft and Vendor Fair for the spring of 2021 ☹️

Due to the uncertainties of the pandemic, the time needed to plan and organize the fair and the fact we have 600+ customers come and go in one day, we are not going to be able host our event. The health and safety of our customers and vendors are our top priority!

INSTEAD...

We would still like to do something for the community and to raise our funds for the STARS program!

We are going to host a **“virtual raffle”** in April 2021, in hopes of your help!

--If you are interested in donating an item or 2, we will be accepting donation drop offs between : **March 15th- March 26th, 2021 at Elida Elementary.**

--Please no food items, unless it is an item that can be packaged for 2+ weeks and still be delicious☺️

--Business cards are welcome on your donated items for your own advertisement.

--If you are a previous vendor for our yearly shows, please add a note to your donation letting us know!

The raffle items will be in bundles and posted for public view on

March 29th, 2021.

Tickets will be pulled on **April 23rd, 2021.**

Thank you for understanding and best wishes to all during this time. Stay safe and healthy!

SPRING FOR THE STARS 2022 will be on : March 5th, 2022

in the new building!
